**Sue Kwon: RAP IS RISEN** - 2021-11-16

"Sue Kwon's undeniable hip-hop résumé should be bowed down to! Sue is definitely one of the greats in visually capturing a culture." -Posdnuos of De La Soul The last decade of the 20th century into the first decade of the 21st represent a High Renaissance age of hip hop--an era in which rap music had reached critical mass and was exploding, and in which New York City itself witnessed the worldwide ascension and cultural domination of its powerful homegrown art form. In Rap Is Risen: New York Photographs 1988-2008, celebrated photographer Sue Kwon documents this era with a combination of incisive portraits and unposed, spontaneous images that capture the energy of these ascendant artists and the city itself. With access to some of rap music's biggest legends--some stars already, some at the cusp of their fame--Kwon's work offers an intimacy rarely seen in the hip hop photography of the time. The Wu-Tang Clan, Biggie Smalls, Jay-Z, Kanye West, Big Pun, Eminem, Mobb Deep, the Beastie Boys, Big L, Ice Cube, De La Soul and A Tribe Called Quest are all represented here, as well as dozens of other DJs and artists that communed with Kwon to produce these images. Method Man brushing his teeth, Fat Joe playing softball in the Bronx, Prince Paul kissing his baby son--the trust inherent between subject and photographer is evident in intimate, joyful shots like these.

Giving a rare glimpse into real rap culture, and featuring 300 photographs, most of which have never been published before, Rap Is Risen is a necessary offering to music history and the faithful followers of hip hop. Sue Kwon began her career at the Village Voice and went on to shoot primarily hip hop artists for record labels such as Def Jam, Sony and Loud Records. Recent commercial collaborations include MCM, Sergio Tacchini and Carhartt WIP national campaigns.

**Autobiography of Death** - Kim Hyesoon 2018-11-27

Kim Hyesoon's poems "create a seething, imaginative under-and over-world where myth and politics, the everyday and the fabulous, bleed into each other" (Sean O'Brien, The Independent) \*Winner of The Griffin International Poetry Prize and the Lucien Stryk Asian Translation Award\* The title section of Kim Hyesoon's powerful new book, *Autobiography of Death*, consists of forty-nine poems, each poem representing a single day during which the spirit roams after death before it enters the cycle of reincarnation. The poems not only give voice to those who met unjust deaths during Korea's violent contemporary history, but also unveil what Kim calls "the structure of death, that we remain living in." *Autobiography of Death*, Kim's most compelling work to date, at once reenacts trauma and narrates our historical death—how we have died and how we survive within this cyclical structure. In this sea of mirrors, the plural "you" speaks as a body of multitudes that has been beaten, bombed, and buried many times over by

history. The volume concludes on the other side of the mirror with "Face of Rhythm," a poem about individual pain, illness, and meditation.

**Going There** - Katie Couric 2021-10-26

This heartbreaking, hilarious, and brutally honest memoir shares the deeply personal life story of a girl next door and her transformation into a household name. For more than forty years, Katie Couric has been an iconic presence in the media world. In her brutally honest, hilarious, heartbreaking memoir, she reveals what was going on behind the scenes of her sometimes tumultuous personal and professional life - a story she's never shared, until now. Of the medium she loves, the one that made her a household name, she says, "Television can put you in a box; the flat-screen can flatten. On TV, you are larger than life but smaller, too. It is not the whole story, and it is not the whole me. This book is." Beginning in early childhood, Couric was inspired by her journalist father to pursue the career he loved but couldn't afford to stay in. Balancing her vivacious, outgoing personality with her desire to be taken seriously, she overcame every obstacle in her way: insecurity, an eating disorder, being typecast, sexism . . .

challenges, and how she dealt with them, setting the tone for the rest of her career. Couric talks candidly about adjusting to sudden fame after her astonishing rise to co-anchor of the TODAY show, and guides us through the most momentous events and news stories of the era, to which she had a front-row seat: Rodney King, Anita Hill, Columbine, the death of Princess Diana, 9/11, the Iraq War . . . In every instance, she relentlessly pursued the facts, ruffling more than a few feathers along the way. She also recalls in vivid and sometimes lurid detail the intense pressure on female anchors to snag the latest "get"—often sensational tabloid stories like Jon Benet Ramsey, Tonya Harding, and OJ Simpson. Couric's position as one of the leading lights of her profession was shadowed by the shock and trauma of losing her husband to stage 4 colon cancer when he was just 42, leaving her a widow and single mom to two daughters, 6 and 2. The death of her sister Emily, just three years later, brought yet more trauma—and an unwavering commitment to cancer awareness and research, one of her proudest accomplishments. Couric is unsparing in the details of her historic move to the anchor chair at the CBS Evening News—a world rife with sexism and misogyny. Her "welcome" was even more hostile at 60 Minutes, an unrepentant boys club that engaged in outright hazing of even the most established women. In the wake of the MeToo movement, Couric shares her clear-eyed reckoning with gender inequality and predatory behavior in the workplace, and downfall of Matt Lauer—a colleague she had trusted and respected for more than a decade. Couric also talks about the challenge of finding love again, with all the hilarity, false-starts, and drama that search entailed, before finding her midlife Mr. Right. Something she has never discussed publicly—why her second marriage almost didn't happen. If you thought you knew Katie Couric, think again. *Going There* is the fast-paced, emotional, riveting story of a thoroughly modern woman, whose journey took her from humble origins to superstardom. In these pages, you will find a friend, a confidante, a role model, a survivor whose lessons about life will enrich your own.

The Charm Offensive - Alison Cochrun

2021-09-07

"Ever since he was a kid, Dev Deshpande has believed in fairy tales, and he has spent his career crafting them for the reality dating show *Ever After*. As the most successful producer in the franchise's history, Dev always scripts the perfect love story for his contestants, even as his own love life crashes and burns off-screen. That is, until the show casts disgraced tech wunderkind Charlie Winshaw as its star. Charlie is far from the romantic Prince Charming he's playing on TV. He doesn't believe in love (at least not for himself), and his publicist only agreed to the show as a last-ditch effort to rehabilitate his image. In front of the cameras, he's a stiff, anxious mess with no idea how to date thirty women on national television. Behind the scenes, he's cold, awkward, and emotionally closed-off. Only Dev can save the season--and possibly the entire show--by coaching Charlie through every scene. Dev always gets a happy ending, and he knows he can find a way to help Charlie find his. Yet the more Dev fights to get Charlie to open up to the contestants, the more they begin to open up to each other, and it soon becomes clear Charlie has better chemistry with Dev than with any of his female co-stars.

Travelling to romantic locations around the world, they begin to suspect they could both find their happily ever after if they're willing to let go of their ideas about whose love story gets told"--

**The Lazy Genius Way** - Kendra Adachi

2021-08-17

NEW YORK TIMES BESTSELLER • Being a Lazy Genius isn't about doing more or doing less. It's about doing what matters to you. "I could not be more excited about this book."—Jenna Fischer, actor and cohost of the Office Ladies podcast

The chorus of "shoulds" is loud. You should enjoy the moment, dream big, have it all, get up before the sun, track your water consumption, go on date nights, and be the best. Or maybe you should ignore what people think, live on dry shampoo, be a negligent PTA mom, have a dirty house, and claim your hot mess like a badge of honor. It's so easy to feel overwhelmed by the mixed messages of what it means to live well. Kendra Adachi, the creator of the Lazy Genius movement, invites you to live well by your own definition and equips you to be a genius about what matters and lazy about what doesn't. Everything from your morning routine to napping without guilt falls into place with Kendra's thirteen Lazy Genius principles, including:

- Decide once
- Start small
- Ask the Magic Question
- Go in the right order
- Schedule rest

Discover a better way to approach your relationships, work, and piles of mail. Be who you are without the complication of everyone else's "shoulds." Do what matters, skip the rest, and be a person again.
