Poverty, the Bible, and Africa - Isaac Boaheng 2020-09-02

Poverty reduction is a worldwide concern, yet if the church is to play an effective role in its alleviation, an approach that is both biblical and contextual is required. In *Poverty, the Bible, and Africa*, Isaac Boaheng formulates a theology of poverty that engages Scripture, African traditional wisdom, and contemporary African concerns to create a paradigm for understanding and alleviating poverty in Africa. Boaheng highlights that, whatever our cultural context, God frowns upon materialism, extravagance, and love for riches; yet the author also demonstrates why a contextual theology must address people's societal and cultural needs alongside spiritual ones. If we desire a model for poverty reduction that is both theologically sound and contextually appropriate, we must facilitate an encounter between the teachings of Scripture and the socio-economic, political, and religious realities of a particular context. Combining in-depth cultural analysis with careful exegetical reflection, this book offers refreshing insight into the challenge of confronting poverty in Africa. Boaheng's approach, however, is relevant far beyond the continent and is transferable to any context where others are seeking to effectively understand and combat poverty.

Help from Above - Kingsley O. Ologe 2011-08-05

This book gives an account of how the author was unjustifiably sacked at the University of Abuja in 1994 and subjected to all manner of harassment before he won his case in court in 1998, and was reinstated in 1999. It includes testimonies of how God took him and his family through the trial by protecting them, supplying their needs and, finally, vindicating him. Finally, it contains spiritual insights that he received from the Scriptures about the Christian pilgrimage through life. The book has been written with three objectives in mind: To provide a permanent record of what actually happened as a body of evidence arguing against military dictatorship in Nigeria, the enthronement of mediocrity in positions of authority and the culture of impunity in our national life; To demonstrate the power and faithfulness of God in the life of whoever commits himself or herself to Him; and To enlighten, comfort, encourage and strengthen Christians who may be passing through some form of trial. In the Forward to the book, the Anglican Bishop of Owerri, the Rt. Rev. Cyril C. Okorocho, writes: Help from above may seem delayed, but it is never denied to a faithful child of a loving, Heavenly Father, Who is also the Lord God Almighty! This is the message of this book.

The Worldview of the Word of Faith Movement: Eden Redeemed - Mikael Stenhammar 2021-12-16

This volume approaches the Word of Faith as a worldview, and analyses the movement through N. T. Wright's model for worldview-analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith. The reader receives insights into the movement's narrative, semiotic, practical and propositional dimensions, which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world. The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings. This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection. The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism.
