Second Person Singular - Sayed Kashua  
2012-04-03

"Part comedy of manners, part psychological mystery . . . Issues of nationalism, religion, and passing collide with quickly changing social and sexual mores." —Boston Globe From one of the most important contemporary voices to emerge from the Middle East comes a gripping tale of love and betrayal, honesty and artifice, which

asks whether it is possible to truly reinvent ourselves, to shed our old skin and start anew. Second Person Singular follows two men, a successful Arab criminal attorney and a social worker-turned-artist, whose lives intersect under the most curious of circumstances. The lawyer has a thriving practice in the Jewish part of Jerusalem, a large house, a Mercedes, speaks both Arabic and Hebrew, and is in love with his wife and two young children. In an effort to uphold his image as a sophisticated Israeli Arab, he often makes weekly visits to a local bookstore to pick up popular novels. On one fateful evening, he decides to buy a used copy of Tolstoy's *The Kreutzer Sonata*, a book his wife once recommended. To his surprise, inside he finds a small white note, a love letter, in Arabic, in her handwriting. I waited for you, but you didn't come. I hope everything's all right. I wanted to thank you for last night. It was wonderful. Call me tomorrow? Consumed with suspicion and jealousy, the lawyer slips into a

blind rage over the presumed betrayal. He first considers murder, revenge, then divorce, but when the initial sting of humiliation and hurt dissipates, he decides to hunt for the book's previous owner—a man named Yonatan, a man who is not easy to track down, whose identity is more complex than imagined, and whose life is more closely aligned with his own than expected. In the process of dredging up old ghosts and secrets, the lawyer tears the string that holds all of their lives together. A Palestinian who writes in Hebrew, Sayed Kashua defies classification and breaks through cultural barriers. He communicates, with enormous emotional power and a keen sense of the absurd, the particular alienation and the psychic costs of people struggling to straddle two worlds. Second Person Singular is a deliciously complex psychological mystery and a searing dissection of the individuals that comprise a divided society.

Marcovitch 2014-05-13

Parce que pour connaître les peuples, il faut d'abord les comprendre Ils sont Israéliens et ils le crient. Avec leurs lots de joies, de peines, de colères et de blessures. Dans cet éternel champ de bataille qu'est leur petite terre tant convoitée depuis des millénaires, les citoyens de l'État hébreu racontent avec leurs mots le destin du pays qu'ils continuent de construire et celui des communautés dont ils sont issus. Leurs paroles, rythmées par les prières des croyants, tracent le sillon d'une réalité bigarrée, entre modernisme débridé et hyper-conservatisme. Ce petit livre n'est pas un guide. C'est un décodeur. Il revisite, à travers une dizaine de portraits puis à l'écoute de grandes voix israéliennes, l'image d'un pays façonné au gré des confrontations religieuses et d'une histoire souvent tragique. Un voyage au cœur des passions israéliennes pour mieux en découvrir l'infinie complexité. Au fil de destins entremêlés. Un grand récit suivi d'un entretien avec Eva Illouz (L'Etat juif et démocratique est

un mariage difficile) Un voyage religieux, historique et politique afin de mieux connaître les passions israéliennes. Et donc mieux les comprendre CE QU'EN PENSE LA CRITIQUE - "(...) Belle et utile collection petit format chez Nevicata, dont chaque opuscule est dédié à un pays en particulier. Non pas un guide de voyage classique, mais, comme le dit le père de la collection, un «décodeur» des mentalités profondes et de la culture. Des journalistes, excellents connaisseurs des lieux, ont été sollicités (...). A chaque fois, un récit personnel et cultivé du pays suivi de trois entretiens avec des experts locaux. - Le Temps - "Comment se familiariser avec "l'âme" d'un pays pour dépasser les clichés et déceler ce qu'il y a de juste dans les images, l'héritage historique, les traditions ? Une démarche d'enquête journalistique au service d'un authentique récit de voyage : le livre-compagnon idéal des guides factuels, le roman-vrai des pays et des villes que l'on s'apprête à découvrir." - Librairie Sciences

**Poasis** - Pierre Joris 2001-03

Poasis, Joris's first major publication in the United States, highlights his work since the mid-1980s. Pierre Joris's poems are characterized by an arresting mix of passion and intellect, by what Pound called "language charged with meaning." For Joris, a language is always a second language, and his poetry takes as its main concern the question of marginality and exile. He is unique in being an American poet comfortable in three languages, and his work is filled with a dynamic language play, cross-linguistic puns, and themes of speculation on language, translation, and nomadism. Poasis, Joris's first major publication in the United States, highlights his work since the mid-1980s.

**Let It Be Morning** - Sayed Kashua 2007-12-01

A revealing portrait of the conflicted allegiances of Israeli Arabs in this searing new novel from one of the most daring voices of the Middle East. A young Arab journalist returns to his hometown—an Arab village within Israel—where his already vexed sense of belonging is forced into crisis when the village becomes a pawn in the never-ending power struggle that is the Middle East. Hoping to reclaim the simplicity of life among his kin, the prodigal son returns home to find that nothing is as he remembers: everything is smaller, the people are petty and provincial. But when Israeli tanks surround the village without warning or explanation, everyone inside is cut off from the outside world. As the situation grows increasingly dire, the village

devolves into a Darwinian jungle, where paranoia quickly takes hold and threatens the community's fragile equilibrium. In a novel that "relates the experience of those caught in the middle, the Arab-Israelis who are citizens but are separated from many of their countrymen by faith and heritage" (School Library Journal), *Let It Be Morning*, proves once again that Sayed Kashua is a fearless, prophetic observer of a political and human quagmire that offers no easy answers. "Kashua . . . writes about the Israeli Arabs' balancing act with knowledge and passion." —Publishers Weekly

*Narrow Gate Churches* - Atallah Mansour 2004  
To protect their ancient churches from desecrating marauders on horseback, worshipers in the Holy Land centuries ago sealed off most of their doors to keep the invaders outside their sacred halls, thus the term "narrow gate churches" began to be used

to describe the Christian worship centers in the Holy Land. This history of how Christians have kept the faith for two millennia under stressful conditions is a tribute to the courage and steadfastness of a remnant community which has miraculously survived under hostile regimes and straightened conditions

European Cultural Diplomacy and Arab Christians in Palestine, 1918-1948 - Karène Sanchez Summerer 2020

This open access book investigates the transnationally connected history of Arab Christian communities in Palestine during the British Mandate (1918-1948) through the lens of the birth of cultural diplomacy. Relying predominantly on unpublished sources, it examines the relationship between European cultural agendas and local identity formation processes and discusses the social and religious transformations of Arab Christian communities in Palestine via cultural lenses from an entangled perspective. The 17 chapters reflect diverse research interests, from case studies of individual archives to chapters that question the concept of cultural diplomacy more generally. They illustrate the diversity of scholarship that enables a broad-based view of how cultural diplomacy functioned during the interwar period, but also the ways in which its meanings have changed. The book considers British Mandate Palestine as an internationalised node within a transnational framework to understand

how the complexity of cultural interactions and agencies engaged to produce new modes of modernity. Karène Sanchez Summerer is Associate Professor at Leiden University, The Netherlands. Her research considers the European linguistic and cultural policies and the Arab communities (1860-1948) in Palestine. She is the PI of the research project (2017-2022), 'CrossRoads: European Cultural Diplomacy and Arab Christians in Palestine (1918-1948)' (project funded by The Netherlands National Research Agency, NWO). She is the co-editor of the series 'Languages and Culture in History' with W. Frijhoff, Amsterdam University Press. She is part of the College of Experts: ESF European Science Foundation (2018-2021). Sary Zananiri is an artist and cultural historian. He is currently a Postdoctoral Fellow on the NWO funded project 'CrossRoads: European Cultural Diplomacy and Arab Christians in Palestine (1918-1948)' at Leiden University, The Netherlands.

*L'an passé à Jérusalem* - Daniel vander Gucht 2008

L'An passé à Jérusalem est le journal de bord tenu à Jérusalem par un Juif européen qui effectua quatre longs séjours en Israël et en Palestine, de l'été 2004 jusqu'à la veille du retrait israélien de la bande de Gaza, à l'été 2005, soit une année durant. Convaincu que l'intérêt de ce journal tient moins à l'originalité

de ses propos qu'à la vérité subjective et partielle de cette rencontre, longtemps différée car tant redoutée, avec la société israélienne, l'auteur a choisi de ne rien gommer de ce témoignage brut de la mise à l'épreuve d'une réalité âpre, complexe et à maints égards paradoxale. Il entend susciter un salutaire débat contradictoire et faire entendre ces voix - souvent israéliennes, du reste - que l'on prétend trop facilement dissidentes pour mieux les réduire au silence.

**Dancing Arabs** - Sayed Kashua 2007-12-01

A nimble, engaging, unflinching debut novel of a young Arab-Israeli who struggles to rise above larger forces beyond his control. In this debut novel that "rings out on every page with a compelling sense of human truth" (Kirkus Reviews), a nameless anti-hero contends with

the legacy of a grandfather who died fighting the Zionists in 1948, and a father who was jailed for blowing up a school cafeteria in the name of freedom. When the narrator is granted a scholarship to an elite Jewish boarding school, his family rejoices, dreaming that he will grow up to be the first Arab to build an atom bomb. But to their dismay, he turns out to be a coward devoid of any national pride; his only ambition is to fit in with his Jewish peers who reject him. He changes his clothes, his accent, his eating habits, and becomes an expert at faking identities, sliding between different cultures, schools, and languages, and eventually a Jewish lover and an Arab wife. With refreshing candor and self-deprecating wit, *Dancing Arabs* is a "slyly subversive . . . chilling, convincing tale" (Publishers Weekly) that brilliantly maps one man's struggle to disentangle his personal and national identities, only to tragically and inevitably forfeit both. "Despite its dark prognosis, there is a lightness and dry humor

that lifts it with the kind of wings its protagonist once hoped for.” —Booklist

Les Arabes dansent aussi - Sayed Kashua

2015-09-24

"Je fais plus israélien que le commun des Israéliens et rien ne me fait plus plaisir que de l'entendre de la bouche d'un Juif. On me dit souvent : "Vous n'avez vraiment pas l'air arabe". Certains prétendent que c'est du racisme, mais pour moi, c'est un compliment. Comme une victoire. Etre juif : n'est-ce pas ce que je voulais ? Après beaucoup d'efforts, le résultat est là". Ce narrateur qui rêve d'être juif est né à Tira, un village de Galilée, dans une famille de combattants palestiniens. Brillant élève, envoyé dans un pensionnat de Jérusalem, il s'emploie à ressembler le plus possible à ses camarades juifs. Les Arabes dansent aussi décrit avec émotion sa vie d'Arabe israélien et ses déchirements identitaires, en mêlant d'une manière virtuose le tragique et le comique.

'Etgar Keret's short stories are fierce, funny, full of energy and insight, and at the same time they are often deep, tragic and very moving' - Amos Oz At a children's tea party, a magician tries to pull a rabbit out of a hat, but takes out only its head; a young man has a mother and girlfriend who each demand that he gives them the other one's heart; while a Nobel Laureate asks an orphan to perform a very strange task. In Etgar Keret's blackly comic stories the unexpected can, and usually does, happen. They are clever, quick, sometimes violent and often intensely poignant. They are, in short, brilliant.

**Track Changes** - Sayed Kashua 2020-01-14

An Arab Israeli man, back in Jerusalem to see his

estranged father, narrates “a novel about just how sad, fractured and tricky cultural identity can get” (Seattle Times). Having emigrated to America years before, a nameless memoirist now residing in Illinois receives word that his estranged father, whom he has not spoken to in fourteen years, is dying. Leaving his wife and their three children, he returns to Jerusalem and to his hometown of Tira in Palestine to be by his family’s side. But few are happy to see him back and, geographically and emotionally displaced, he feels more alienated from his life than ever. Sitting by his father’s hospital bed, the memoirist begins to remember long-buried traumas, the root causes of his fallout with his family, the catalyst for his marriage and its recent dissolution, and his strained relationships with his children—all of which is strangely linked to a short story he published years ago about a young girl named Palestine. As he plunges deeper into his memory and recounts the history of his land and his love, the lines between truth

and lies, fact and fiction become increasingly blurred. Hailed as “an unusually gifted storyteller with exceptional insight” (Jewish Tribune), Bernstein Award-winning writer Sayed Kashua presents a masterful novel about the stories Palestinians and Israelis tell themselves about their lives and their histories.

Poetic Trespass - Lital Levy 2017-05-09

A Palestinian-Israeli poet declares a new state whose language, "Homelandic," is a combination of Arabic and Hebrew. A Jewish-Israeli author imagines a "language plague" that infects young Hebrew speakers with old world accents, and sends the narrator in search of his Arabic heritage. In *Poetic Trespass*, Lital Levy brings together such startling visions to offer the first in-depth study of the relationship between Hebrew and Arabic in the literature and culture of Israel/Palestine. More than that, she presents a captivating portrait of the literary

imagination's power to transgress political boundaries and transform ideas about language and belonging. Blending history and literature, *Poetic Trespass* traces the interwoven life of Arabic and Hebrew in Israel/Palestine from the turn of the twentieth century to the present, exposing the two languages' intimate entanglements in contemporary works of prose, poetry, film, and visual art by both Palestinian and Jewish citizens of Israel. In a context where intense political and social pressures work to identify Jews with Hebrew and Palestinians with Arabic, Levy finds writers who have boldly crossed over this divide to create literature in

the language of their "other," as well as writers who bring the two languages into dialogue to rewrite them from within. Exploring such acts of poetic trespass, Levy introduces new readings of canonical and lesser-known authors, including Emile Habiby, Hayyim Nahman Bialik, Anton Shammas, Saul Tchernichowsky, Samir Naqqash, Ronit Matalon, Salman Masalha, A. B. Yehoshua, and Almog Behar. By revealing uncommon visions of what it means to write in Arabic and Hebrew, *Poetic Trespass* will change the way we understand literature and culture in the shadow of the Israeli-Palestinian conflict.
